

Hi Shane

I'm sorry Tim and I did not manage to say a personal goodbye to you at the airstrip before we left. Hence this e-mail to thank you and all at the lodge for another memorable week. Everyone was so helpful and welcoming and our particular thanks to Cheryl, Chrissie and Rebeckah for looking after us so well. You have a very dedicated and professional team which, coupled with your own very personal touch, makes guests feel special.

Thank you too for the great fly outs. It's always a wonderful day at the world's greatest Grayling river and despite being my third visit, as exciting as ever! Sorry we couldn't make the Sulky on the last day because of the fog - still, that's something to look forward to next time. All being well I very much look forward to returning to Great Bear in 2010.

In the meantime, thanks again for a great trip.  
With very best regards to you and to Chummy.

John
